

REMARKS

In the May 30, 2007 Office communication, the Amendments to the claims section of Applicants' prior amendment and response to Office Action was indicated to be non-compliant as "A complete listing of all of the claims is not present" and "claim 11 & 13-18 still need to be listed." Applicants have corrected the listing of the claims and hereby resubmit, in its entirety, the "Amendments to the Claims" section of Applicants' amendment and response to Office Action that was previously submitted on May 21, 2007. Applicants request reconsideration in view of the above amendments and the remarks previously submitted on May 21, 2007.

In view of the foregoing, Applicants respectfully submit that all of the pending claims fully comply with 37 CFR § 1.121 and are allowable over the cited references. Claims 11 and 13-18 now include the entire text of claims following the (Withdrawn) identifier. Reconsideration of the application is respectfully requested. Should the Examiner wish to discuss any of the above in greater detail, then the Examiner is invited to contact the undersigned at the Examiner's convenience.
